Dear Michelle,

Following up on your Request for Additional Information:

Anedot, LLC, the committees credit card processor, mistakenly deposited \$10,854.50 into the committees bank account on 4/25/2012. This deposit was in error, and the transaction did not correspond to any credit card contributions. On page 80 of the Pre-Primary report, we showed the funds coming in as a Line 15 Other Receipt with a reporting description of Mistaken Credit Card Deposit to ensure the numbers were correct.

The company then removed the funds from the account after the reporting period closed, on 5/15/2012. Following your conversation with our compliance team in May, page 59 of the July Quarterly report showed a negative transaction on Line 15 with a description of Mistaken Credit Card Deposit Correction.

Please let me know if you have any further questions.

Sincerely,

James C. Chandler
